Resolution D – Thanks to the retiring Convener, Svein Knapskog

ISO/IEC JTC 1/SC 27/WG 3 wishes to express its admiration and thanks to its convener, Svein Knapskog, for his many years of excellent work guiding the WG and managing its secretariat.

WG 3 experts particularly appreciate his infrequent use of his fearsome Battle Axe, unlike his illustrious Viking ancestors, notably Olaf. The tales told around the WG 3 campfires of Svein's exploits, daring and perseverance during the standards battles are legion, and the experts recognise that none will best his deeds. The experts are sure that his repeated slaying of the dragon of ISO Directives, thus saving the Evaluation Criteria Princess, will be the subject of odes for many generations.
